Frequently Asked Questions (FAQ)

If you do not find the information you need in this document, please contact the transportation department at 706-253-1727 or central office at 706-253-1700.

This information is subject to change based on guidance from the Department of Public Health (DPH) and other health officials.

Transportation

1. Will bus drivers wear a mask?

Yes, all bus drivers will wear a mask or face shield while driving the bus.

2. Will students wear a mask?

It is strongly recommended that all students wear a mask when riding the bus.

3. How and when will buses be disinfected?

High-touch areas on the buses will be disinfected after every morning and afternoon route.

4. How will students load/unload the bus?

Students will load from the back to the front and unload from the front to the back.

5. Will students have assigned seats?

Yes, students will have an assigned seat. Students with siblings or other family members riding the same bus will be assigned seats together.

6. Will buses have hand sanitizer available?

All buses will have hand sanitizer available for use before loading the bus.

7. What about ventilation on the buses?

All buses will operate with several windows opened to 1 inch to help aid in air circulation, as well as running the air conditioning.
